To Neil and the team at Sydney Commercial Kitchens,

I am writing to thank you and Sydney Commercial Kitchens customers for your ongoing support of The Fred Hollows Foundation.

Since 2004, Sydney Commercial Kitchens have raised an astounding \$35,500 to help restore sight to people living with avoidable blindness. Beyond providing vital eye care, your generosity is transforming lives and helping people regain their sense of independence and dignity. Children are able to learn at school, adults are able to go to work and entire communities can grow. The impact of your generosity is truly heart-warming.

Fred believed that no one should be needlessly blind, regardless of who they were, where they lived or how much money they had. Tackling this inequality was his lifetime goal. Much like yourself Neil, Fred got the job done. I know he would have been impressed by your commitment to helping us achieve our goal of a world without avoidable blindness.

Once again, on behalf of everyone here at The Fred Hollows Foundation, thank you for your continued support, and for giving the gift of sight back to others.

Warm regards,

*& see again
Thank you!*
